Join Casting Director/Executive Producer Kimberly Skyrme and other filmmakers as we screen narrative works in progress, movie trailers and demo reels! Kimberly will speak on the Casting/Producing process and show footage fresh from the narrative feature film "*TRI When Surviving Cancer is Not Enough*" which she recently cast and is currently executive producing.

**For possible inclusion in screening schedule, email your movie title, weblink or reel, and contact information to [DeneneCrabbs@cox.net](mailto:DeneneCrabbs@cox.net) by noon October 5.** Priority will be given to Narrative Directors Roundtable members who have initiated or completed narrative film or media projects since NDR started in February 2015, but anyone may submit. Clips up to 5 minutes considered; under 3 minutes preferred.

JOIN US for a lively discussion of film works and bring your ideas about what you need to further develop your film directing or related career as we plan topics for 2016.
